CASSONS

Saturday March 4th, 2023

For anyone unfamiliar with the Footscray Cycling Club, it is one of the oldest and most respected clubs in Victoria. We have between 100-200 members and provide for racing all year round. We are affiliated with AusCycling and are regularly represented in Open races (conducted by AusCycling).

During the Road Season (April-October), we conduct racing over a number of different circuits ranging in distance from 75 KM to 125 KM. On any given Saturday or Sunday, there'll usually be 50-80 riders, so everyone is assured of good racing. Little River races start from the clubrooms at the Little River Cricket Ground. Maude/Meredith races start from the Maude Tennis Courts. Balliang races start from Balliang Hall. Lethbridge races start from Lethbridge Hall.

Some races are restricted to Club members. Refer to our fixtures for more details.

During the Criterium season (October-March), we have races on Thursday evenings (VU circuit in Hoppers Crossing) and weekend mornings Saturdays at the VU circuit in Hoppers Crossing or Sundays at Drake Blvd in Altona.

Refer to our fixtures for more details.

In November 2020, Mountain Bike Australia, BMX Australia and Cycling Australia united to form one supportive and efficient organisation - AusCycling. This means that we can now have one membership for all cycling disciplines; an outcome our Club advocated for strongly in 2020.

The Brunswick Cycling Club is over 100 years old but one of the most progressive clubs in Australia.

We are made up of a diverse group of ages and physical abilities bonded by a shared passion for the sport of cycling across all disciplines - we love BMX, Mountain Bike, Cyclocross, Road and Track cycling.

Our daily existence is powered by dedicated volunteers and built on a foundation of fun and inclusion.

Our Club aims to promote all levels of competitive and participation cycling across all ages and abilities.

Access to the Brunswick velodrome and clubrooms, Access to use DISC for training and racing.

Access to coaching, Access to club rides and social events, Exclusive club sponsor benefits, seminars and promotions

Access to AusCycling Victoria and AusCycling sanctioned events

Blackburn Cycling Club does it differently.

Our vision is to "Build a love of cycling with more people riding, racing, and watching."

We will do this by:

Providing exceptional riding skills and development programs that inspire people to ride.

Facilitate members to achieve excellence in cycling through exceptional junior development, training and pathways.

Providing safe and challenging competition programs through facilitating development and operational excellence.

The Blackburn Cycling Club is an Australian Road and Track Cycling Club first established in 1946 by George Robinson of Rob's Cycles in Blackburn.

A track and clubhouse was established at the East Burwood reserve near the corner of Springvale Road and Burwood Highway.Child Safety:

Blackburn Cycling Club is committed to child safety. We want children to be safe, happy and empowered.

We are committed to the safety, participation and empowerment of all children.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated seriously and consistently with our Child Safeguarding Policy and procedures.

Blackburn Cycling Club is committed to preventing child abuse and identifying risks early, and removing and reducing these risks.

The Carnegie Caulfiled Cycling Club was founded in 1924. Our club is home to World, Olympic, National and State Champions (as well as a Tour de France winning Sport's Director).

We are made of hundreds of members of all ages.

We race weekly at Club Criterium races, roll down Beach Rd on the weekends with our friends, challenge ourselves on the Alpine Climbs, ride together on Zwift and compete in local, state and national races.

We are committed to providing a welcoming and supportive environment for the sport of cycling. Our road, track and CX riding programs and races for Juniors, Women, Men, Masters, U23 and Elite riders set the standard for Club Cycling.

Our Club is working hard to optimise our successful Women's and Junior programs and build on our Social Rides.

Between October and April each summer, Carnegie Caulfield holds weekly criterium races on Sunday mornings at Glenvale Crescent, Mulgrave and on Tuesday evenings at Sandown International Raceway. Races are typically between 45 and 60 minutes and are conducted on circuits with little to no vehicle traffic. Racing caters for all levels of riders, from elite male and female professionals to juniors and novice riders.

Laurie Norris & Glenn Wilkins
Proudly present The Bell Helmets Track Event.

We very much appreciate and thank our fantastic group of sponsors for their generosity.
Without their valued support we couldn't offer a full program of junior and senior racing.
To our fantastic officials, We Thank You for giving your valuable time at no cost to present today's racing.
To the riders from far and wide, Thanks for participating in our great event.

We urge you to support our valued sponsors whenever possible.
Thank You
Laurie Norris/Glenn Wilkins – Promoters

SHIMANO

Matt Bazzano

Shimano Australia was established in Sydney in 1992 as the Australian distributor of Shimano bicycle components.
In 1981, Dunphy Sports had been also established and was the agent for Shimano fishing goods.
As both businesses expanded over the years, so too did Shimano's local equity investment in both companies.
In 2011, planning started around the merge of Shimano Cycling and Fishing divisions in Australia; and in 2015, both sales companies moved into the current, purpose-built facility in Caringbah.
The role of Shimano in Australia is to service and support sales and marketing to the Australian market, to promote cycling & fishing and the benefits of both activities in the Australian region.

BELL: A LEGACY OF CHAMPIONSHIP AND CONFIDENCE

It’s no coincidence that Bell is both the first name in speed and the first name in helmets. Born in the 1950's California hot rod and racing scene, Bell founder Roy Richter built an entire industry anticipating the unmet needs of those with a speed-hungry disposition. People wanted to drive fast … he corralled all the go-fast parts he could find into the world’s first speed shop. They wanted to race … he built them race cars. And when the need-for-speed started to reveal some grim realities, Roy did something about that too and Bell Helmets was born.

Roy Richter spent his life removing the limits of what was possible — and his unlimited spirit has been Bell’s guiding light for nearly 60 years, earning the admiration, trust and loyalty of generations of champions. Throughout those years nearly every advance on the list of helmet “firsts” were built under Bell’s auspices. That drive to anticipate and create continues, as much a part of Bell’s ethos today as it was back in Roy’s day.

Whether for auto racing, motorcycling or bicycling, Bell is synonymous with instilling confidence and enabling awesomeness. Established 1954, proven ever since.

THE BELL WAY

Bell exists to inspire and enable the next generation of boundary breakers. It is built from auto racing, motorcycle and bicycle culture. We don’t just make helmets; we make possibilities. Born in a garage. Fueled by grease and will. Guided by pure intent to encourage the world to live, ride, drive and thrive. Hand-in-hand with the world’s best drivers and riders, Bell continues to enable the world’s best to be their best … as it always has.

OUR VALUES

What’s important to our customers is what’s important to us. Places to ride and compete, substance over fashion, performance over pose. We seek to celebrate utility, keeping it authentic and sharing the resulting energy. In this way we not only serve the core, but democratically spread the love and expand the sports and activities we ourselves are so passionate about.

OUR PHILOSOPHY

Anything Bell is designed to fulfill a specific set of needs — without frosting. The Bell aesthetic is uniquely appealing in its purpose-built utility in the same way a race car or fighter jet is designed with every aspect of its function in mind. That they are beautiful in their ultimate aesthetic is secondary. In the end we are creating an essential performance tool. We build it to use it.

The original Ivanhoe Cycles store first opened in 1984 and since then the Ivanhoe Cycles name was established as one of Melbourne best cycling stores.

Much of that reputation came from a couple of factors. Firstly, we are famous for holding a great deal of stock, so it is very likely that the bike you want will be available - and in your size. Secondly, we have prided ourselves on keeping on staff who are expert in various fields of cycling - everything from road biking to BMX, to mountain biking. This way we can offer you expert advice, and truly find a bike that is an excellent match to you.

BICYCLEPARTS Wholesale

Bicycle Parts Wholesale supplies bicycle parts, bicycle accessories and bicycle equipment to bicycle dealers throughout Australia.

We take pride in supporting independent retailers. We do this by having...
A wide range of product
High stock levels (on average we are 98% in stock)
Easy ordering systems, Fast dispatch, Experienced staff at your disposal &
A quality wheel building facility

Plus we are a Trade Only Wholesaler, we do NOT sell to the public.
