For anyone unfamiliar with the Footscray Cycling Club, it is one of the oldest and most respected clubs in Victoria. We have between 100-200 members and provide for racing all year round. We are affiliated with AusCycling and are regularly represented in Open races (conducted by AusCycling).

During the Road Season (April-October), we conduct racing over a number of different circuits ranging in distance from 75 KM to 125 KM. On any given Saturday or Sunday, there'll usually be 50-80 riders, so everyone is assured of good racing. Little River races start from the clubrooms at the Little River Cricket Ground. Maude/Meredith races start from the Maude Tennis Courts. Balliang races start from Balliang Hall. Lethbridge races start from Lethbridge Hall.

Some races are restricted to Club members. Refer to our fixtures for more details. During the Criterium season (October-March), we have races on Thursday evenings (VU circuit in Hoppers Crossing) and weekend mornings Saturdays at the VU circuit in Hoppers Crossing or Sundays at Drake Blvd in Altona.

Refer to our fixtures for more details.

In November 2020, Mountain Bike Australia, BMX Australia and Cycling Australia united to form one supportive and efficient organisation - AusCycling. This means that we can now have one membership for all cycling disciplines; an outcome our Club advocated for strongly in 2020.

The Brunswick Cycling Club is over 100 years old but one of the most progressive clubs in Australia.

We are made up of a diverse group of ages and physical abilities bonded by a shared passion for the sport of cycling across all disciplines - we love BMX, Mountain Bike, Cyclocross, Road and Track cycling.

Our daily existence is powered by dedicated volunteers and built on a foundation of fun and inclusion.

Our Club aims to promote all levels of competitive and participation cycling across all ages and abilities.

Access to the Brunswick velodrome and clubrooms, Access to use DISC for training and racing.

The Carnegie Caulfield Cycling Club was founded in 1924. Our club is home to World, Olympic, National and State Champions (as well as a Tour de France winning Sport's Director).

We are made of hundreds of members of all ages.

We race weekly at Club Criterium races, roll down Beach Rd on the weekends with our friends, challenge ourselves on the Alpine Climbs, ride together on Zwift and compete in local, state and national races.

We are committed to providing a welcoming and supportive environment for the sport of cycling. Our road, track and CX riding programs and races for Juniors, Women, Men, Masters, U23 and Elite riders set the standard for Club Cycling.

Our Club is working hard to optimise our successful Women's and Junior programs and build on our Social Rides.

Between October and April each summer, Carnegie Caulfield holds weekly criterium races on Sunday mornings at Glenvale Crescent, Mulgrave and on Tuesday evenings at Sandown International Raceway. Races are typically between 45 and 60 minutes and are conducted on circuits with little to no vehicle traffic. Racing caters for all levels of riders, from elite male and female professionals to juniors and novice riders.

# "BANANAMAN FLOORING" and Footscray, Carnegie, and Brunswick Cycling Clubs plus our many loyal individual and company sponsors proudly present the 2025 "BANANAS in LYCRA" Track Classic.

I very much appreciate and thank our fantastic group of sponsors for their generosity.

I especially thank Bananaman Flooring and Dianne Townsend for their support of this event.

Without the valued support of our sponsors, I couldn't offer a full program of junior and senior racing.

To our fantastic officials and volunteers, thank you for giving your valuable time to present today's racing.

To the riders from far and wide, thanks for participating in this great event.

I urge you to support our valued sponsors whenever possible.

Thank You

Laurie Norris Promoter

#### Maillot Jaune Club Melbourne, Australia

Club Patrons: Phil Anderson, Stuart O'Grady, Robbie McEwen, Cadel Evans, Bradley McGee, Baden Cooke, Rohan Dennis, Simon Gerrans, Michael Matthews and Jai Hindley.

The Maillot Jaune Club was formed in Melbourne in 1998 by a small group of former racing cyclists. The basic aims of the club are to provide activities aimed at bringing past and present-day cyclists (and friends) together in a social environment to maintain camaraderie and interest in competitive cycling. There is now a concerted effort to support the development of Junior cyclists. The Maillot Jaune Club

welcomes new members from all aspects of our great sport. The club presents very popular functions which feature high profile guest speakers, Grace Brown, Luke

Plapp, Phil Anderson and Baden Cooke being recent highlights. For details of functions, including the Victorian Cycling Hall of Fame dinner, or to join the club, please contact the Club Secretary/Treasurer Tom Rendall at

#### tre63331@bigpond.net.au

Your Annual membership of \$35.00 goes directly into supporting Junior cyclists.

distributor of Shimano bicycle components.

In 1981, Dunphy Sports had been also established and was the agent for Shimano fishing goods.

As both businesses expanded over the years, so too did Shimano's local equity investment in both companies.

In 2011, planning started around the merge of Shimano Cycling and Fishing divisions in Australia; and in 2015, both sales companies moved into the current, purpose-built facility in Caringbah.

The role of Shimano in Australia is to service and support sales and marketing to the Australian market, to promote cycling & fishing and the benefits of both activities in the Australian region.
